

Naresh Patre

Lead Technical Support Engineer

“Engineering Simulation is a powerful tool, having the potential to fundamentally transform the way innovative products are designed and manufactured making it essential and irreplaceable in today’s world.”

BIO

Naresh discovered his passion for engineering simulations during his Bachelor’s studies. His interest beyond CAD modeling drove his passion further for engineering simulations. He is a team player with continuous focus on providing customer satisfaction.

GOALS

- Empowering freshers and design engineers to adopt simulation
- Help Ansys users to improve their skills and productivity
- Continuously seek for excellence

Ansys EXPERIENCE

Naresh joined Ansys as an Application Engineer. Since then, he has been exposed to a variety of simulation problems as he helped customers across various industries. Going above and beyond to ensure customer satisfaction has been one of his mainstays.

SPECIALTIES

- Preprocessing
- Stress Analysis
- Heat Transfer
- Scrum Practitioner
- Management

INDUSTRY INTERESTS

- Automotive
- Aerospace
- Consumer Products

PROFESSIONAL

EDUCATION

Bachelor in Mechanical Engineering, Pune University, India

PERSONAL

INTERESTS

Cricket, Music, Movies

LANGUAGES

English, Marathi, Hindi

COMPETENCIES

SIMULATION

ENGINEERING

LEADERSHIP

Ansys PHYSICS
