

# Atharva Nagarkar

Technical Support Engineer,  
Fluids

"Isn't it amazing that we can understand the design and working of a system before even thinking of manufacturing the system because of computer simulations ?? It's like predicting the future !!"

## BIO

Atharva has always had a keen interest in Mathematics and Physics, and this led him to pursuing his Bachelors in Mechanical Engineering. He has worked on various projects in his college wherein he used CFD simulations to achieve the project goals. He believes that teaching is the best way to learn about a new idea or a concept!!

## GOALS

- Understand the technical aspects of CFD simulations
- Adapt to a team setting and contribute positively towards ongoing projects
- Develop a good work ethic and a proper level of competency

## Ansys EXPERIENCE

Atharva joined ANSYS as a Technical Support Engineer and will be actively involved in the development of Ansys Innovation Courses.

## SPECIALTIES

- Fluid Dynamics
- Heat Transfer
- Vibrational Analysis
- Sustainability

## INDUSTRY INTERESTS

- Defense
- Energy
- CFD

## PROFESSIONAL

### EDUCATION

Bachelors in Mechanical Engineering, Vishwakarma Institute of Technology, Pune

## PERSONAL

### INTERESTS

Cricket, Football, Badminton, Cooking and Writing

### LANGUAGES

English, Marathi, Hindi

## COMPETENCIES

### SIMULATION

### ENGINEERING

### LEADERSHIP

### Ansys PHYSICS
